Tower and Spire.—Some progress has been made during the past month in the collection of funds for the carrying out of this work, but

we must travel somewhat faster if we are to be in a position to commence building by the 20th of June next. The plans are now in the architect's hands, and will shortly be ready for the builder, but it will be scarcely advisable to ask for tenders, until we are assured that we shall have sufficient to meet the builder's account. We have done well so far, and to have raised within the space of a few weeks the sum of £1100 is far beyond the hopes or expectations of many amongst us. Most of this money, quite 90 per cent., has been raised within the narrow limits of our own parish; and our collectors are at work, and it is hoped will be enabled to add considerably to the fund by means of many small (and we hope still *some large*) subscriptions, gathered within the area of the parish. But we must also look outside, and see whether we cannot get our friends to help us to accomplish that, which unaided, we cannot quite manage ourselves. We ask all the inhabitants of the village to try what they can do in this direction. There are few who have not got friends living at a distance, and many of these are not only personal friends, but are also interested in our village. Former residents, holders of property, and those connected with the trade of the village. We ask all to go to work, and quickly too, not to leave a stone unturned, so as to ensure the required sum in time to commence the work in June. Circulars and collecting cards are ready and will gladly be given to any applying at the Vicarage. The following is a list of subscriptions promised or paid since last month:—

Holy Week.—Our Lenten services have been hitherto well attended and now we direct special attention to the last days of this important season, the days of Holy Week. Let there be an effort really to make it a Holy Week to every one of us, each one trying to make it so to himself. Let us think of the importance of the events which it commemorates, and let us seek to make *our own* the salvation which during the first Holy Week was procured for us. There are services arranged for every day of the week, some of which it is hoped may be found convenient to all. Maunday Thursday is especially a day to be much remem-

2

for the blessings which flow to us through the institution, on that sad night, of the blessed sacrament of the Lord's Supper. Good Friday! alas! we hope if any who read this are intending to spend it as a holiday, they will pause before they do so. What day more unfitting for a holiday? The day on which our Lord suffered so cruelly—the day on which He died for us—the day on which the door of Heaven was thus opened to us. Let us try to spend it well. Come to its services! Especially come to the 2 o'clock service, when, just for one hour, we try to turn our thoughts to Him who hung at that time upon the Cross!

Vestry Meeting.—The Annual Easter Vestry for the passing of the year's accounts and the election of Churchwardens and other Church officers will take place at the Vestry, on Thursday, April 14th, at 8.15 p.m.

Local Board.—We notice with pleasure that it was decided unanimously at a Vestry Meeting, held at Hampton, on March 11th, to have a Local Board for the Parish of Hampton. With the prospect of a very heavy expenditure for drainage, which we are compelled, almost immediately, to carry out, it is most fortunate that this question has been settled. We shall no longer have our local affairs managed by a Board, of which most of its members reside at a distance, and some of them have no knowledge whatever of our parish.

Church Improvements.—We are glad to be able to report that the bills are all now paid. Below is given a full statement of accounts:—

Concert in Easter Week.—We would call attention to the Concert which it is proposed to give at the Boys' School, at 8 o'clock, on Wednesday, April 13th, in aid of the funds of the Hampton Total Abstinence Society. This Society, which is at work throughout both Hampton and Hampton Hill, has just completed its third year, and throughout its existence has flourished greatly, and we trust has effected much good towards the reformation of those addicted to excessive drink, and also by giving encouragement to those who are inclined to be steady. The cost of keeping up the weekly meetings throughout the longest half of the year, and the expense of bringing speakers from a distance, amount to a considerable sum, and we would take the opportunity of asking our friends to give their support to the work by taking tickets for the Concert. Further particulars will be announced when the time draws near.
