## THE VICARAGE,

*December 1st, 1908.*

MY DEAR FRIENDS,

The Reports of the Inspectors upon the Day Schools will be found below, and will be read with interest and pleasure by the parents of the children and by everybody who cares for the Schools.

The Conversazione on the 19th ult. was not so large a gathering as usual, and, unfortunately, the net proceeds were little or nothing, as the expenses were unusually heavy. The takings were £10 13s. and the costs £10 11s. 8d. The programme was most excellent. The performances of Mr. Chester and Miss Hummel were delightful. We are very grateful for the help given by Miss E. J. Cooke, Miss Geraldine Cooke, and Messrs. Kestin, Mason, Ernest Job, J. Reynolds, Alf. and J. Newman and Spencer. We are also very much indebted to Miss Barnard and all the helpers with the tea.

There was a G.F.S. Service on the 12th ult., after which the members were entertained to tea at Larkfield, and an address was given by Mrs. Young, of Twickenham.

The Quarterly Service of the Mothers' Union took place on the 17th ult., when upwards of ninety were present. Nine new members were admitted.

The Provident Club money will be paid out on Wednesday, the 9th inst., at 11 a.m., at the Eastbank Mission Room. Members should be there as punctually as possible. It is desirable that they should come in person to avoid mistakes. We are greatly indebted to the District Visitors for all the trouble they take in connection with the Club.

The Bishop has fixed the next Confirmation for early in March. A class for girls will begin immediately, and will be held in the new Parish Room on Wednesday afternoons at 4.30. The first will be held on the 9th inst. I shall be glad to receive the names of candidates as soon as possible.

Some little Mission Services are being held at the Westbank Mission Room on Friday evenings, at 8 p.m. Magic lantern pictures are shown to illustrate the addresses. We shall be glad to see anybody who will come.

The lists of Services for Advent and Christmas are published and are in your hands. I need not say that Advent comes every year with a fresh appeal to us to make use of our opportunities. The Church takes up the Saviour's own words, "Be ye also ready, for in such an hour as ye think not the Son of Man cometh."

I am, my dear Friends,

Yours very sincerely,

CHARLES R. JOB.

## THE DAY SCHOOLS.

*Report of the Inspectors in Religious Knowledge.*

Boys. Each Division as a whole. 1st—Excellent. 2nd—Excellent. 3rd—Excellent. 4th—Excellent.

"The School is again excellent in each division. Div. I. is earnestly and effectively taught: there was general and thoughtful answering on Holy Scripture, and interesting teaching has been given on the History of the Church of England. The Catechism explanation should be more definite in parts. Division II. is well and brightly taught throughout. In Div. III the New Testament subjects show study and a good grasp of the practical bearing of the lessons, and manifest pains have been taken with the rest of the work. Div. IV. is taught with ability and marked success: the answering was accurate and eager and well distributed over the class."

(Signed), H. C. BATTERBURY,  
*Inspector.*

GIRLS. Each Division as a whole. 1st—Excellent. 2nd—Very good. 3rd—Very good. 4th—Excellent.

"The School again passed an excellent Examination. In Div. I. work of an able and influential spiritual character has been done with evident success. Division II. is earnestly and faithfully taught, but the Bible subjects and explanation of the Creed rather want point and development. In Div. III. there is much pleasing answering: the Bible knowledge is not quite complete enough, and the answering in explanation of the Catechism might be more general. Div. IV. is zealously and well taught, rather too much is attempted in Bible subjects.

(Signed), BERNARD REYNOLDS,  
*Inspector.*

INFANTS. Each Division as a whole. 1st—Excellent. 2nd—Excellent.

"The School is again quite excellent in both divisions. The answering is reverent and orderly, and the teaching suitable and earnest."

(Signed), BERNARD REYNOLDS,  
*Inspector.*

*Report of H.M. Inspector, Mr. Streetfeild.*

### BOYS AND GIRLS.

"In these two departments the children are receiving a thoroughly good training and are acquiring many desirable habits. The increase of staff has permitted of improved organization and will materially increase the facilities for giving separate instruction of a more advanced nature to the eldest children in each department. The whole School has been painted and renovated during the holidays, but there are too many long desks without backs in use."

### INFANTS.

"This department is managed on up-to-date and rational lines. The children are self-reliant and responsive, and good order is maintained without the sacrifice of individuality and initiative."

## EVENING SCHOOL.

"This is a New Centre of Evening Continuation School Work, and the large numbers attending amply justify its establishment. Great interest has been aroused among the students, and all concerned in the management and conduct of the School are to be congratulated in the good work done and the promise of the future."
