THE VICARAGE,

HAMPTON HILL,

*April 1st, 1922.*

MY DEAR PEOPLE,

You will find elsewhere the Services for Holy Week and Easter. I pray that God will give us all a very happy and holy Eastertide.

I call your special attention to the Easter Vestry and gathering of Parochial Electors to be held on Thursday, April 20th, in the Church Room. All parishioners are entitled to be present at the Vestry meeting for the Election of Churchwardens at 8 p.m., but only registered electors may vote for the appointment of sidesmen and the Parochial Church Council at 8.30 p.m. I hope that as many as possible will endeavour to be present.

You will be glad to hear that sufficient money has been given for the Memorial to the late Vicar, Mr. Job. The window and the tablet will be unveiled on Wednesday, April 19th, at 8 p.m., by Prebendary Prosser, an old friend of Mr. Job, and Rural Dean.

I have pleasure in recording a double event in our Schools. An exhibition has been won by Reginald Saville in the Boys' School, and by Marion Whitaker in the Girls' School; both were won after keen competition, and we congratulate the pupils and their teachers.

Mr. Russe has resumed his position as Organist and Mr. Rowe has taken his place at Kew. We have all greatly appreciated Mr. Rowe's services during the past year and received his resignation with regret; we wish him God-speed in his new sphere, at the same time we give a hearty welcome to Mr. Russe, who will now again be Organist as well as Choir Master.

On St. George's Day, April 23rd, there will be a Church Parade of the Church Lad's Brigade and the Girl Guides at 11 a.m.

I hope to be away from April 24th to May 8th. Mr. Laughton will be in charge of the Parish, but I regret that there can be no 7.30 a.m. week-day Celebrations during that time.

Yours very truly,

R. COAD PRYOR.

## Intercessions.

### I.

#### LET US PRAY.

For the Parochial Church Councils, that they may be inspired with a holy zeal to work for the Glory of God.

For the removal of all hindrances to their usefulness.

That they may enlist the interest and goodwill of local life, religious and municipal.

That all the members of each Council may devoutly use the means of grace to gain wisdom and the right spirit for their responsible work.

That communicants may gain in Lent a deeper conviction of sin and of their need for the Blessed Saviour and may communicate the same to the world around them.

### II.

That all faithful people in our land may work together for definite Christian instruction to be given in all our schools by confessedly Christian teachers.

### III.

As we pray "Thy kingdom come" let us pray especially for the settlement of the trouble in India, Ireland, and Russia, for the world of Industry, and especially for some solution of the problem of the Unemployed.

### IV.

For the blessing of God on the Missionary Societies that their work may not be hindered by lack of men or money;

That they may be enabled to increase and extend, and strengthen their work;

That we at home may realise God's need of men and women to be His fellow-helpers in the winning of souls;

For a blessing on all who are in training for the missionary work of the Church over-seas.

O LORD hear our prayer;

And let our cry come unto Thee.

MISSIONARY WORKING PARTY.

The meetings during April will be held as follows:—Friday, April 7th, at Miss Brewer's, Revidge; Friday, April 21st, at Mrs. Anthony's, Sussex Lodge.

MISSIONARY WORKING PARTY—*continued.*

At the Working Party held at Mrs. Joseph's, Roodene, on Friday, March 17th, Miss Seeley gave an interesting address on the work of the Colonial and Continental Church Society. She spoke very convincingly about the difficulties of British settlers in distant out-posts of the Empire. Many are twenty, thirty, forty, or even more miles from a Church, so can very rarely attend a service or share in the privileges of Church membership. Contrast this with life at home, where we have Churches almost at our doors, and yet how many never enter a Church from one year's end to another! It is hoped that in the autumn we may have in S. James's School a Lecture (illustrated by lime-light views), which will tell us more of the work of the Society.
