# Welcome

You and your children are very welcome at St James's Ark, a Christian-based playgroup for carers and under 5s.

We meet every Monday, from 10:15am-12:15pm, during term time, for arts and crafts, worship, singing and play.

**The cost is £2 per family (biscuits included!)**

If you are new to the group you will be asked to complete a short registration form. Then each time you attend we ask you to sign a register.

**Your children and all your property remain your responsibility at all times.** We have taken reasonable steps to make the Ark a safe environment but we ask you to monitor and supervise your children and ensure their safety and good behaviour. (*Safeguarding Policy* and *Risk Assessment* are available).

**Have you observed all the green emergency exit signs?** In any emergency requiring an evacuation the Playgroup Leader will go directly to the assembly point in the front garden of the Vicarage (the first house after the church hall). You are required to take your children to the assembly point and inform the Leader that you and your children are safe.

**Please respect the privacy of others when taking photographs of your children.**

## Paediatric First Aid Workshops

The Norman Jackson Children's Centre in Windmill Road runs five-week courses every half-term. There is a crèche available. The course is open to anyone who lives in the borough and has children. For more information telephone the Tangle Park Children's Centre on **020 8481 9420**.

**together**  
*at eleven*

A new service every Sunday at 1100 with young families particularly in mind. It is fun-filled with lively songs and hands-on activities. We listen to a famous Bible story and the whole family can learn together. It is short and lunch and is followed by crafts and refreshments, with time for the children to play while parents chat over coffee.
